

Chalo Weekly News

Attendance in K4 and Kindergarten is important!

Research indicates that if a child has low attendance in Kindergarten they are more likely to continue having low attendance into High School.

Students with low attendance are more likely to not do as well in school, have fewer connections and are more likely to drop out of school at a younger age.

Why do kids need to learn to read?

Reading is an important skill in being able to acquire a job, read instructions they need to follow and be able to fill out important forms.

Thank you to all the parents and guardians who have contacted the Principal when you have a question or concern!

Your input is important. If you are finding that something is not working then we need to hear from you.

If you have any concerns, questions or comments please contact Richelle Anderberg, the Principal of Chalo School.

Chalo School has recently been granted the opportunity to start bringing in dual credit courses – this means you could have your first level of your trade and your grade 12 completed at the same time!

We need to hear from you so we are working to bring in the actual trades opportunities you want to participate in.

Please write your suggestions in the speech bubbles by April 5, 2023.
